214th ANNUAL REPORT

CORNISH, NEW HAMPSHIRE

Year Ending December 31, 1980

NOTICE

Please Read

To DOG OWNERS:

- All dogs over three months of age must be registered by May 1st.
- Legal rates: Males \$6.00, Females \$6.50, Neutered Males \$3.50, and Spayed Females \$3.50.
- Rabies certificates required for registration.
- Failure to register makes owners liable for \$1.00 penalty **per month** after June 1st. It's the LAW!
- Owners are liable for free running dogs. If in doubt, check the state statutes RSA:466. The penalties are severe.

* * * *

To PROPERTY OWNERS:

- Changes in the law provide that those who do not return their inventory forms by April 15 not only lose their right to appeal their taxes **but are now subject to a fine of not less than \$10.00 but up to and not over \$50.00.**

* * * *

To those REGISTERING VEHICLES:

- Resident Taxes must be paid in order to register a vehicle.
- In order for a husband to register a vehicle, he must pay both his and his wife's Resident Tax. **IT'S THE LAW!!**

* * * *

To those BUILDING NEW OR MAKING CHANGES:

- The Town Building Code requires permits to construct or remodel any building. There are exceptions. A check should be made with the Selectmen.

* * * *

Your cooperation in the above matters will save time and money for you
— and cut costs of town government.

— The Selectmen

SELECTMEN'S REPORT

Shortly after the March Town Meeting the usual work of the department was seriously interrupted by a potentially disastrous fire in the Town Garage. The quick work of Fred Sullivan in sounding the alarm, the prompt efficiency of the Fire Department and dedication of highway employees as well as volunteers resulted in extinguishing the blaze. The Mack truck was nearly a total loss and the roof over the highway section of the garage had to be replaced. The Fire Marshal traced the cause of the fire to a defective heater switch in the truck. The Mack is now back in service.

Highway Department: TRA money was spent on the Center Road, Added Gas Tax Funds were used on both Center and Lang Roads, while Duncan Funds were spent on Parsonage and Root Hill highways. It should be noted here that the 18-year-old grader is beginning to show its age. Costs of keeping it in operation will increase. Since this make of grader is no longer being manufactured, it is difficult to find replacement parts. The loader, purchased in 1974, is beginning to present problems and repair costs will also increase. Fuel costs are rising as well as all road building materials and the end is no where in sight. The State Highway Department engineers have examined most of the bridges in town. The report indicates the majority are in need of repairs or replacement. This is a matter that must be faced in the immediate future.

Town Hall and Other Buildings: Following the recommendations of the Town Hall Repair Committee and the action of the Special Town Meeting, with the help and guidance of Stephen P. Tracy, bids were let out to paint the exterior and kitchen of the building, repair the foundation, reroof the structure, insulate the ceiling, and install drainage around the building. There are still some minor matters to be completed under the bid agreement. The townspeople should be grateful for the new ceiling. The material and labor were furnished by the Cornish Fair Association. The Blow-Me-Down Snowriders painted the interior of the building while the Cornish Fire Dept. Ladies' Auxiliary repaired and cleaned the stage curtains. Cornish is the nice town that it is, thanks to the volunteers who do so much to help in so many ways.

A gas heater has been installed in the Fire Department bays of the Town Garage, and steps have been taken to place similar equipment in the highway section to replace the aging oil-fired steam boiler.

Perambulation: The town lines between Cornish and Claremont as well as the lines between Cornish and Plainfield have been perambulated. This was done by the Selectmen and representatives of the cooperating governments.

Blow-Me-Down Bridge: After a delay of about two years, the Blow-Me-Down Covered Bridge was repaired. M. S. Graton Associates of Ashland, N.H., did the work. An appropriate barrier has been erected to insure that that structure will not be damaged again by oversize or overloaded vehicles. The Cornish Historical Society arranged a gala occasion for official opening of the bridge.

Building Permits: In spite of high interest rates the number of building permits issued were about equal to 1979. Of the total issued, 11 were for dwellings and 10 for garages.

Cornish Police: Changes have taken place in department personnel during 1980. Gote Sartz and Hollis Boardman have been succeeded by James Lukash and Franklin Parks Jr. The latter has resigned because of a conflict with his regular employment. At the present time, James Lukash is chief; Matthew Tinker and Philip Osgood of Claremont are serving as officers. Matthew Tinker and James Lukash are enrolled in the Police Training Course offered in Claremont by the N.H. Police Training Council. As a matter of policy and practice the Selectmen and Police meet each month to review any special problems that have developed and exchange mutually helpful ideas.

An Overview: Each year the work of the Selectmen increases. The duties are more numerous and increasingly complex. New laws of state and Federal nature that are imposed on the town and the demands of the public for knowledge about local government as it affects individuals are contributing to a greater and greater work load.

Appreciation: The Selectmen wish to thank the department heads, committee members, commissions, the many volunteers and town employees who have helpfully contributed to keep down the costs of government and still maintain a good community.

MYRON E. QUIMBY
MICHAEL M. YATSEVITCH
STANLEY W. COLBY
Selectmen

WARRANT
The State of New Hampshire

To the Inhabitants of the Town of Cornish, in the County of Sullivan, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Cornish on Tuesday, the 10th of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

Articles 1 through 3 of the Warrant will be acted upon at 10:00 a.m. Voting will be by official ballot and checklist, and the polls will be open for this purpose and will remain open from 10:00 a.m. until 7:00 p.m. at which time the polls will close.

At 1:00 p.m. Article 4 through 24 will be voted upon.

ARTICLE 1. To choose all necessary Town Officers for the ensuing year.

ARTICLE 2. To see if the Town will vote to Amend Art. V, Sec. A-2 of the Cornish Zoning Ordinance adopted March 5, 1974, as amended 1975, 1976, 1977 and 1980 by inserting after sub paragraph (i) of paragraph 2 the following newly lettered section:

(j) Home Occupations Yes No

ARTICLE 3. To see if the Town will vote to Amend Art. V, Sec. D-2:A by omitting the words "is approved by the Board of Selectmen." Yes No

ARTICLE 4. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

(a) Town Officers' Salaries	\$ 11,500.00
(b) Town Officers' Expenses	7,952.08

(z4) Interest, Long-term Notes	700.00

(z5) Interest on Temporary Loans	18,000.00
(z6) New Highway Equipment-Capital Res. Fund	3,000.00
(z7) Fire Department-Capital Reserve Fund	3,000.00
(z8) Conservation Commission-Capital Res. Fund	1,000.00
(z9) County Tax	Necessary Amount

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$3,312.00 to assure ambulance service for the Town of Cornish.

ARTICLE 6: To see if the Town will vote to raise and appropriate \$4,000.00 and authorize its withdrawal from the Revenue Sharing Fund, under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, to make the fourth payment on the note due on the International Truck.

ARTICLE 7. To see if the Town will vote to raise and appropriate \$5,000.00 and to authorize its withdrawal from the Revenue Sharing Fund, under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, to make the 1981 Cornish Landfill Service payment to the City of Claremont.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$1,000.00, and to authorize its withdrawal from the Revenue Sharing Fund, under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, to overhaul and update the wiring system in the Town Clerk's and Selectmen's offices, and to install a single party line to the Selectmen's Office.

ARTICLE 8-A. To see if the Town will vote to raise and appropriate \$216.00 to pay the monthly service charges for a telephone in the Selectmen's Office.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 to assure service by the Cornish Rescue Squad, Inc.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money to purchase a new truck and plow to replace the Chevrolet pickup, the purchase price to come from the New Highway Equipment Capital Reserve Fund, the Chevrolet pickup and plow to be a trade-in towards the purchase of the new truck similarly equipped.

ARTICLE 11. To see if the Town will vote to raise and appropriate \$1,500.00 to replace the roadside fence at Edminster Cemetery.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$600.00 for Wheels Around Windsor for Cornish residents.

ARTICLE 13. To see if the Town wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar year in which the remuneration paid for each service is less than \$100.00. (This means that any town election official who earned less than \$100.00 during the town's fiscal year would not have Social Security withheld from his/her earnings.)

ARTICLE 14: To see if the Town will vote to participate in the creation of a regional refuse disposal planning committee to work with the N.H./Vt. Solid Waste Project to find a solution for our waste disposal problem and further to appropriate the sum of \$768.00 for the expenses of the Project and to request the moderator to appoint the necessary representatives from the Town to this committee within 10 days of Town Meeting.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$1,043.25 towards the support of the Upper Valley-Lake Sunapee Council.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$322.00 as its share of the cost of supporting the Dartmouth-Lake Sunapee Region Association.

ARTICLE 17. To see if the Town will vote to raise and appropriate the additional sum of \$2,000.00 for the new Highway Equipment Capital Reserve Fund, which sum will be used to increase said fund from \$3,000.00 annually to \$5,000.00 annually.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$12,000.00 to replace the bridge on the Clark Camp Road between the Center Road and Route 120.

ARTICLE 19. To see if the Town will vote to authorize the Selectmen to make application for and to accept and expend on behalf of the Town, any and all grants or other funds for general town purposes, including but not limited to disaster relief or CETA, in excess of the money appropriated by the Town which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

ARTICLE 20. To see if the Town will vote to authorize the Selectmen to accept and expend, on behalf of the Town, any and all gifts or other funds received from miscellaneous sources, as the Selectmen shall determine to be advisable.

ARTICLE 21. To see if the Town will vote to authorize the Selectmen to sell or otherwise administer property acquired by tax deed.

ARTICLE 22. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 23. To hear the reports of Officers, Agents, Auditors and committees heretofore chosen, and pass any vote in relation thereto.

ARTICLE 24. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord nineteen hundred and eighty-one.

CORNISH TOWN MEETING

March 11, 1980

The Selectmen certified the back of the Town Warrant; the Supervisors of the Checklist swore to the Town Clerk that the Checklists were in order; ballots were counted and folded by the Ballot Clerks.

At 10:00 a.m. Peter H. Burling, Moderator, announced that the polls were open, and proceeded to read the 5'3" Town Warrant. Valley News photographer was present to take pictures. Marilyn Bourne arrived, was sworn in as Assistant Moderator, and assisted Mr. Burling with the reading of the Warrant.

At 1:00 p.m. the Moderator brought the business meeting to order. Everyone stood to salute the flag, then bowed for a few moments of silent prayer. The Moderator then read Article 7 in its entirety. Ruth Rollins moved, Andrew Kuhre seconded, a motion to act on each, "a" - "z8," separately. This was voted in the affirmative.

ARTICLE 7a: Pete Decatur moved, Duane Allen supported, motion to raise and appropriate \$10,250.00 for Town Officers' Salaries. With little ado the motion was voted on in the affirmative.

ARTICLE 7b: Shirley Sullivan moved the Town vote to raise and appropriate \$8,000.00 for Town Officers' Expenses. Bunny Barker supported this motion and it was voted on in the affirmative.

ARTICLE 7c: Fred Sullivan moved, Virginia Hunt seconded, motion to raise and appropriate \$1,000.00 for reappraisal of property. Questions were asked why we have to raise it, and why can't the Selectmen do this, etc. It was voted on in the affirmative.

ARTICLE 7d: Bunny Barker moved, Myron Quimby supported, the motion to raise and appropriate \$2,500.00 for election and registration. When asked about this, it was pointed out that there were at least four elections this year. Motion was voted in favor.

ARTICLE 7e: \$13,500.00 was raised and appropriated by vote of the Town, upon motion made and supported by Ed Lawrence and Stephen Tracy, for expenses of maintaining the Town Hall and all the other town buildings.

ARTICLE 7f: Dale Rook moved, Vera Kuhre supported, a motion to raise and appropriate \$8,000.00 for Town employees' Retirement and Social Security. It was voted on in the affirmative.

ARTICLE 7g: George and Jill Edson moved and seconded \$2,300.00 be raised and appropriated for Town Officials' Insurance. This was voted on, in favor.

ARTICLE 7h: Michael Newbold moved \$4,120.00 be raised and appropriated for the Police Department. Stephen Tracy supported this. After a little discussion, it was voted on in the affirmative.

ARTICLE 7i: Dale Rook and Nathan Cass moved and seconded a motion to raise and appropriate a sum of \$10,357.00 for the Fire Department. When asked why the department needed this amount, Duane Allen explained there was need for extensive repairs on the fire trucks and equipment. Motion was voted on in favor.

ARTICLE 7j: \$5,810.00 for Workman's Compensation was raised and appropriated per motion of Bunny Barker supported by Shirley Sullivan, and so voted by the Town.

ARTICLE 7k: Ed Lawrence moved, Edna Guest seconded, a motion to raise and appropriate \$3,000.00 for Damage and Legal Expense. After discussion as to what Selectmen thought we would need legal expense for, Matt Tinker moved to amend the amount to \$2,000.00, seconded by Bill Gallagher.

This was voted on in the negative. The first motion was then voted on, in the affirmative.

ARTICLE 7l: Edna Guest moved, Mary Thibodeau supported, a motion to raise and appropriate the sum of \$300.00 for the Planning Board. Fred Sullivan rose and complained about the articles put into the warrant by the Planning Board that were incorrectly put in, and thus are illegal. There was a lot of discussion as to just what did happen, and why these articles were not properly checked by legal counsel, etc. Finally the motion was brought to a vote by the Town and passed in favor.

ARTICLE 7m: Shirley Sullivan moved to raise and appropriate \$100.00 for the Zoning Board of Adjustment, supported by Bunny Barker and voted on in the affirmative.

ARTICLE 7n: The Town voted to raise and appropriate \$100.00 for Civil Defense on motion of Duane Allen supported by Mary Thibodeau.

ARTICLE 7o: David Wood moved, and Ed Lawrence seconded, a motion to raise and appropriate \$200.00 for the Conservation Commission. This was declared a vote in the affirmative.

ARTICLE 7p: Clara Weld moved, Grace Rawson seconded, that the Town raise and appropriate \$100.00 for the Health Department. This was so voted. Clara asked that everyone thank Grace Rawson publicly for all she has done through the years she has served on the Board of Health. Everyone rose and clapped.

ARTICLE 7q: David Wood and Ruth Rollins moved and seconded that we raise and appropriate \$100.00 for Vital Statistics. A question was asked what this was used for — and what it meant by "Vital Statistics" and Bernice Johnson was asked to explain. (Births, deaths and marriages recorded and filed; copies made for other towns, and for our Town Report, etc.) Motion was voted on in the affirmative.

ARTICLE 7r: Dan Poor moved, Polly Rand supported, that the Town raise and appropriate \$950.00 for the Windsor Visiting Nurse Association. This was so voted by the Town.

ARTICLE 7s: Jim Lukash moved, Sharon Atwood seconded, a motion to raise and appropriate \$100.00 for "damage by dogs." As every year, someone asked for what damage? It was explained this amount paid for dog license forms, tags, and any surplus helped pay the constables when they have to go out collecting the license fees, etc. It came to a vote, in the affirmative.

ARTICLE 7t: Ruth Rollins moved, Ed Lawrence seconded, that the Town raise and appropriate \$5,000.00 for the Claremont Landfill. It was explained that under Article 16, the same amount was to be treated differently. Then Ruth and Ed changed their motion to read: that the Town vote to appropriate \$5,000.00 and to authorize its withdrawal from the Revenue Sharing Fund, under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, to make the 1980 Cornish Landfill Service payment to the City of Claremont. Thus ARTICLE 16 was acted upon, and the Town voted the motion in the affirmative.

ARTICLE 7u: Fred Sullivan made a motion that the Town vote to raise and appropriate the sum of \$95,000.00 to be reduced by \$15,999.92 for maintenance of Class V roads and bridges. This was duly seconded. Then Fred said he was on the Finance Committee, and though \$105,000.00 was asked for, because of less snow this winter and winter sand all being trucked to the storage spot on Parsonage Road, the Committee cut it back to \$95,000.00 — the same amount that was voted in 1979. A number raised their hands to

make comments or ask questions of Harold Morse or the Selectmen. Finally the motion was voted on, in the affirmative.

ARTICLE 7v: Myron Kuhre made a motion that the Town raise and appropriate \$400.00 for Street Lighting, seconded by Sharon Atwood. This was approved by vote of the Town.

ARTICLE 7w: Ed Lawrence moved, Fred Sullivan supported, motion that the Town raise and appropriate \$1,289.13 for TRA (Town Road Aid), with the State's share being \$8,594.22. With no discussion the Town voted the motion in the affirmative.

ARTICLE 7x: The Town voted to raise and appropriate \$3,142.19 for use of the Cornish Library upon a motion made by David Wood and seconded by Clara Weld.

ARTICLE 7y: Clara Weld made a motion, seconded by Sharon Atwood, that the Town raise and appropriate \$3,500.00 for use in Cemetery mowing and maintenance. This was voted on in the affirmative.

ARTICLE 7z: Matt Tinker moved, Eleanor Thompson seconded, a motion to raise and appropriate \$4,500.00 for Public Welfare for Cornish. This was so voted.

ARTICLE 7z1: \$150.00 was raised and appropriated for Memorial Day or other Patriotic Purposes upon a motion made by Richard Ackerman and duly supported.

ARTICLE 7z2: Also ARTICLE 14: Dale Rook moved, Edwin Lawrence supported, a motion to raise and appropriate \$13,900.00 to pay the principal on Long Term Notes and Bonds. After some discussion, Michael Yatsevitch moved to amend the motion to read: that the Town raise and appropriate \$13,900.00 and authorize the Selectmen to appropriate \$4,000.00 from the Revenue Sharing Fund under the provisions of the State Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, as an offset on our payment towards the International Truck. This was supported by Pete Decatur and voted on in the affirmative. Then the original motion, as amended, was voted on in favor.

ARTICLE 7z3: Dale Rook moved, Mary Thibodeau seconded, that the Town raise and appropriate \$1,500.00 to pay the interest on Long Term Notes and Bonds. This was voted on in the affirmative.

ARTICLE 7z4: Bunny Barker moved, Orville Fitch II seconded, a motion to raise and appropriate \$11,000.00 so the Town can pay interest on Temporary Loans. This was so voted.

ARTICLE 7z5: Duane Allen made a motion supported by Andrew Kuhre that the Town raise and appropriate \$3,000.00 for the Capital Reserve Fund for new equipment for the Highway Department. This was voted on in the affirmative.

ARTICLE 7z6: Dale Rook moved, George Aldrich seconded, a motion that the Town raise and appropriate \$3,000.00 for the Capital Reserve Fund for the Fire Department. This was voted on in the affirmative.

ARTICLE 7z7: \$1,000.00 was voted to be raised and appropriated for the Capital Reserve Fund for the Conservation Commission upon a motion from Isabel Barker supported by David Wood.

ARTICLE 7z8: Michael Yatsevitch moved, Ruth Rollins seconded, a motion that the Town raise and appropriate the necessary amount needed for County Taxes, and this was voted on in the affirmative.

ARTICLE 8: Michael Yatsevitch made a motion which was duly seconded, that the Town raise and appropriate \$500.00 to defray the cost of training those part-time Cornish police officers who are chosen by the

Selectmen for such training under provision of RSA 105-A, the Selectmen to seek reimbursement of the town's expenses for such training as provided under RSA 10-A-6. Matt Tinker moved to take out of order Article 10, seconded by Orville Fitch II. Stan Colby explained about the police officers having to have certification and why the Selectmen put this article in the Warrant. Buddy Fitch explained the difference in the two articles and why the citizens wanted the wording as they put it in Article 10. Michael Yatsevitch responded. The motion to take Article 10 out of order was voted on in the negative. Lew Gage moved we vote on Article 8 as previously moved, seconded by Fred Sullivan. Lew said he thought it very important that we do have trained constables. Stan Colby made several comments. Then Dan Poor moved to delete words "of those" and add "at least two," seconded by Ed Lawrence. This was voted on in the negative. More comments were made by Buddy Fitch, Fred Weld, Gote Sartz, Jim Lukash, etc. The original motion was finally voted on, in the affirmative.

ARTICLE 9: Dale Rook moved, Dan Poor seconded, that the Town raise and appropriate \$250.00 to increase the hourly rate of pay for those Cornish Police Officers to not less than \$4.00 per hour who are chosen for training by the Selectmen and who become Certified under provisions of RSA 105-A of the Police Standards and Training Act, said raise to become effective upon Certification. Michael Yatsevitch moved to amend the motion to read \$500.00 instead of \$250.00; Sandi Gobin seconded the amendment. This was voted on in the affirmative. Then the original motion as amended was voted on, also in the affirmative.

ARTICLE 10: Buddy Fitch moved, Fred Sullivan seconded, that we pass over the Article. This was so voted.

ARTICLE 11: Buddy Fitch moved, David Wood supported, that we pass over the Article. This was so voted.

ARTICLE 12: Ruth Stewart made a motion, seconded by Kay Kibbie, that the Town authorize the Selectmen to spend \$1,600.00 to fund and provide for dispatching services for the Cornish Police Department. Jim Lukash spoke up against this motion. Stan Colby replied. Buddy Fitch made a number of comments in favor of it. The Moderator finally brought the motion to a vote and it was voted on in the negative.

ARTICLE 13: On motion of Dale Rook, seconded by Edna Guest, the Town voted to raise and appropriate \$1,898.50 to assure ambulance service for the Town of Cornish and to authorize the withdrawal of this amount from the Revenue Sharing Fund under the provisions of the State Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress.

ARTICLE 14: See Article 7z2, page 4.

ARTICLE 15: Motion was made by John Rand, seconded by Ruth Rollins, that the Town raise and appropriate \$1,500.00 and to authorize its withdrawal from the Revenue Sharing Fund under provisions of the State and local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress to assure service by the Cornish Rescue Squad, Inc. Fred Sullivan moved an amendment, seconded by George Aldrich, to lower the amount to \$1,000.00 and ask the Town of Plainfield for \$500.00 as they get our service free. There was some discussion, then this amendment was voted on, in the negative. The main motion was then repeated and voted on unanimously in the affirmative.

ARTICLE 16: see Article 7t, page 3.

ARTICLE 17: Nathan Cass moved, Scott Kearns seconded, a motion that the Town accept and approve the recommendations of the Town Road

Naming Committee. They have done a lot of work since last Town Meeting and held two public hearings. This was voted on, in the affirmative.

ARTICLE 18: Duane Allen moved, Vit Carpenter seconded, a motion that the Town raise and appropriate \$1,500.00 and to authorize the Selectmen to withdraw this amount from the Revenue Sharing Fund, under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, to pay for supplying the Cornish Fire Department, Rescue Squad, and other Town departments with appropriate maps showing approved road names, the balance to be used for the purchase and marking and placing of road name signs. This was discussed, then brought to a vote which was in the affirmative.

ARTICLE 18a: Dale Rook moved, George Aldrich seconded, that we authorize the Selectmen to withdraw \$13,000.00 from the Fire Truck Capital Reserve Fund to be used to replace Engine #1; Engine #1 to be used as a trade-in. With very little discussion the Town voted on the above motion in the affirmative.

ARTICLE 19: Michael Newbold moved, David Wood seconded, a motion that the Town increase the mileage rate paid Town Officers in carrying out their duties, from 10 cents per mile to 15 cents per mile. This was so voted.

ARTICLE 20: Michael Yatsevitch moved, Andrew Kuhre seconded, that the Town raise and appropriate \$10,000.00 for painting, re-roofing, insulating and making other repairs to the Town Hall. After some discussion Jean Burling moved to amend the original motion to read that the Selectmen and Moderator appoint a committee to study the condition of the Town Hall and have a report prepared and present it to the Town at a meeting — special one if necessary, within three months. This amendment was seconded by Val Herod and voted on in the affirmative. Stephen Tracy spoke up on the subject, and volunteered his help. The original motion, as amended, was voted on in the affirmative.

ARTICLE 21: Scott Kearns moved, Bunny Barker seconded, a motion to raise and appropriate \$986.00 for insulating both the Fire Department and Highway Department sheds at the Flat, and \$2,500.00 for a new heating system in the Highway Department shed, at the Flat. Susan Ballard moved, Jean Burling seconded, to amend the motion to read \$3,500.00 to be raised and appropriated. This amendment was voted on in the negative. More discussion. Then Bruce Tracy moved, Richard Ackerman seconded, that because money was left over from the 1979 appropriation for the heating system, that \$2,300.00 should be raised and appropriated for the insulating and heating job at the sheds. This was voted on in the affirmative.

ARTICLE 22: Arnold Wilkie moved, Ricky Poor seconded, a motion that the Town raise and appropriate a sum not to exceed \$1,000.00 to pay the labor costs and use of Town Highway equipment to improve the soccer field, with the understanding that the Cornish Fair Association will furnish the fill and pay the cost of fuel used by the equipment. A lengthy discussion followed — as to how much dirt could be put or added to the leach field; about the drains into the state road, etc. Extensive other discussion followed. Finally the motion was brought to a vote, in the affirmative.

ARTICLE 23: Donald Powers moved, Myron Quimby seconded, a motion to authorize the Treasurer, with the approval of the Selectmen, to appoint a deputy Treasurer pursuant to RSA 41:29A. This was so voted by the Town.

ARTICLE 24: Lewis Gage moved, Alan Tewksbury seconded, a motion to pass over the article to declare Paget Road a Scenic Road. This was so voted.

ARTICLE 25: Sally Wellborn moved, Robert Jaarsma seconded, that the Town prohibit the use of herbicides within the Town of Cornish unless specific permission is given by the landowner upon whose property the herbicide is applied. Lawrence Berndt spoke up in favor of the motion. Ed Belak moved to amend the motion to include — the Selectmen be directed to contact the holders of Power Line Easements to notify them that the Town does feel this way, before they spray. This was supported by Sandi Powers. Arnold Wilkie said none of us could stop the state if it decided to spray for tent caterpillars. The amendment was voted on in the affirmative. Then the motion as amended was voted on, in favor.

ARTICLE 26: Hollis Boardman moved, Val Herod supported a motion to raise and appropriate the sum of \$700.00 to set single flag poles in those cemeteries where war veterans are buried in order to raise a single flag on Memorial Day and other appropriate occasions rather than placing small individual flags on the graves. Edna Guest spoke up against this. Comments also by Clara Weld and Frederic Kingsley. Motion brought to a vote, which was in the negative.

ARTICLE 26a: The Town of Cornish voted, upon motion of Ricky Poor supported by Merilynn Bourne, to adopt a bylaw pursuant to RSA 31:39 prohibiting the allocation of cemetery lots within the town except to residents or members of a resident's immediate family.

ARTICLE 27: Virginia Hunt moved, Ed Belak seconded, a motion to instruct the Conservation Commission to make a study of the potential agricultural lands in Cornish. Bunny Barker stood and explained how the Conservation Commission could help the Town. The motion was voted on in the affirmative.

ARTICLE 28: Stan Colby moved, Fred Sullivan seconded, that the Zoning Board of Adjustment be appointed to act as the Regulator for the Town under the provisions of RSA 155-E (Supp) Relating to Regulation of Excavations. Fred Weld moved an amendment, seconded by Bruce Tracy, that the Selectmen be the one to be appointed Regulator for the Town. This amendment was so voted. Then the original motion, as amended, was voted on, in the affirmative.

ARTICLE 29: Shirley Sullivan moved, John Dryfhout seconded, that the Town raise and appropriate \$600.00 for Wheels Around Windsor for Cornish residents. Lew Gage and Myron Quimby both stood and made comments in favor of this program. The Town voted on the motion in favor.

ARTICLE 30: Stan Colby moved and it was duly seconded, that the Town raise and appropriate \$995.00 towards the support of the Upper Valley-Lake Sunapee Council. Fred Sullivan moved we raise and appropriate nothing for the council, seconded by Paul Danz. Stan Colby disagreed with Fred, said it was the fault of the Planning Board not taking the articles to Town Council as the Upper Valley-Lake Sunapee Council asked them to do. Further discussion. Then the amendment was voted on, in the affirmative, that we give nothing to the Council. The motion as amended was voted on also in favor.

ARTICLE 31: Ed Belak moved, Ricky Poor seconded, that Cornish raise and appropriate \$322.00 as its share of the cost of supporting Dartmouth-Lake Sunapee Region Association — the official State of N.H. nonprofit travel and tourism promotion association for this area. This was voted on in the affirmative.

ARTICLE 32: Shirley Sullivan moved, Nancy Laro seconded, that the Town review the regulations governing the use of the Town Hall. Myron Quimby spoke on the article. Vera Kuhre spoke on the reason for the

insertion of the article into the warrant. Fred Sullivan thought a charge should be made to anyone using the hall. Lew Gage spoke against charging — talked of how the Blue and Gold Banquet helped the whole town because so many entire families came to use the hall and see what the Scouts have accomplished. Ruth Rollins spoke up in favor of letting town organizations use the hall. George Edson moved that a committee be drawn up and report to the Selectmen by 120 days from this meeting, seconded by Matt Tinker. Lorraine Lawrence suggested that any monies taken in for rental should be used to help fix up the Town Hall. The motion for a committee was so voted; then the motion for a review of the regulations governing the use of the hall was voted on, in the affirmative. Committee: Matt Tinker, Robert Jaarsma, Virginia Hunt, Lawrence Berndt, Bruce Tracy and Lorraine Lawrence.

ARTICLE 33: Pete Decatur moved, David Wood supported a motion to adopt an ordinance to authorize the Selectmen to license outdoor productions and set the conditions thereof. Stanley Colby explained the article — would have to carry insurance, need policing, have first aid present in case of a medical emergency, be responsible for any wiring and such, etc. Matt Tinker spoke up in favor. Discussion followed. Finally Bill Noble moved, Ruth Stewart seconded, an amendment — to see if the Town will direct the Selectmen to draw up an ordinance to regulate and license outdoor productions, and within 120 days before the Town adopts it, to hold two public hearings on said ordinance. This amendment was voted on in favor. Then the original motion, as amended, was voted on in the affirmative.

ARTICLE 34: Michael Yatsevitch moved, Ruth Stewart seconded, a motion that we authorize the Selectmen to make application for and to accept and expend on behalf of the Town, any and all grants or other funds for general town purposes, including but not limited to disaster relief or CETA, in excess of the money appropriated by the Town which may now or hereafter be forthcoming from the United States government or from the State of New Hampshire. With very little comment this motion was voted on, in the affirmative.

ARTICLE 35: George Edson, seconded by Jill Edson, moved we act on all three articles — 35, 36 and 37, at the same vote. This was so voted.

ARTICLES 35, 36 and 37: Fred Sullivan moved, Earle Carpenter supported, that we authorize the Selectmen to accept and expend, on behalf of the Town, any and all gifts or other funds received from miscellaneous sources, as the Selectmen shall determine to be advisable; to authorize the Selectmen to sell or otherwise administer property acquired by tax deed — this to be amended that the Selectmen charge rent on property that has been taken by tax deed after three years; also that we authorize the Selectmen to borrow money in anticipation of taxes. The amendment to Article 36 was voted on first, in favor; then all three articles as voted and amended, were voted on in the affirmative.

ARTICLE 38: Ruth Rollins moved, Ruth Stewart supported, that the Town accept all articles and reports as printed in the Town Report. This was so voted.

ARTICLE 39: Moderator Burling asked for nominations for Fence Viewers and explained that this is a serious committee, called on at times to settle disputes over land boundaries. Ricky Poor nominated the same committee as last year, seconded by Judy Rook — Fred C. Sullivan, Edwin G. Lawrence, Caroline E. Storrs, Katherine E. Kibbie and Robert L. Hilliard were voted on, in the affirmative, as Fence Viewers.

Nominations were opened for Surveyors of Wood, Bark and Lumber: Michael Yatsevitch nominated the same committee, of Jesse Stone, Orville Fitch, Fred Weld and James Neil, and added the name of William Monette. Jill Edson then nominated Ehrhardt Frost also. The six were then voted on, in the affirmative.

Nominations for Hog Reeves were asked for. Nominated were: William Noble, Caroline Emerson, Robert and Susan Perakis, Tertia Zapletal, Anne Peyton, Sue and Jim Fitch, Lyle and Kathi Patterson, and Steve and Debbie Monette. These were voted on, in favor.

Motion was made to adjourn the business section of the meeting, supported, and so voted. 8:00 p.m.

As the polls had been officially closed at 7:00 p.m., the ballot clerks and other officials under the supervision of the Moderator, counted and tallied the ballots. With 789 registered voters on the Checklist, there were 283 regular votes and 9 absentee, or a total of 292.

Results of the vote:

ARTICLE 1: To choose all necessary officers for the ensuing year:

For Selectman: Hollis J. Boardman — 30, Stanley W. Colby — 173, Polly Monette — 83. Stanley W. Colby was elected.

For Town Clerk: Bernice F. Johnson — 284 and was elected.

For Treasurer: Barbara L. Atherton — 266, John Smith — 1. Barbara L. Atherton was elected Treasurer.

For Tax Collector: Carol F. Fitch — 282 and was elected.

For Auditor: Mary G. Thibodeau — 264, Edna Guest — 1, Eben Farnsworth — 1, and Mary G. Thibodeau was elected for two years.

For Library Trustee: William E. Noble — 39, Phyllis M. Hemphill — 104, Kathryn H. Patterson — 122, and was elected for a three-year term.

For Trustee of Trust Funds: Susan H. Chandler — 263 and was elected to office for the next three years.

For Overseer of the Poor: Peter C. Storrs — 268, Lindsey S. Belak — 1, Peter C. Storrs was elected.

For Highway Agent: Myron A. Kuhre — 107, Harold A. Morse — 168, Nathan Cass — 1, Robert LaClair — 1, William Monette — 1, Harold A. Morse was elected as Agent.

For Sexton: Hollis J. Boardman — 237, Myron Kuhre — 7, Mike Monette — 1, Conan Johnson — 1, Hollis J. Boardman was elected.

For Supervisor of the Checklist: Myron A. Kuhre — 139, Mary G. Thibodeau — 137, Adel Bayliss — 1, and Paul Danz — 1. Myron A. Kuhre was elected by 2 votes for Supervisor for three years.

For Moderator: Peter H. Burling — 275, R. Wells Chandler — 1. Peter H. Burling was elected for a two-year term.

ARTICLE 2: Vote to amend Article IV of Cornish Zoning Ordinance as proposed by the Cornish Planning Board as Amendment #1 as follows: Sec. A: Definitions — "Home Occupation — Any use of a professional or service character, including related limited sales, conducted entirely within a dwelling or an accessory building which is clearly incidental and secondary to the use of the dwelling purposes and does not change the character thereof nor employ more than one non-family member on a full-time basis, or two non-family members on a part-time basis." Yes 159, No 86.

ARTICLE 3: To see if the Town will vote to amend Art. V, Sec. A-2 of the Cornish Zoning Ordinance as proposed by the Cornish Planning Board as Amendment #2, by adding under Special Exceptions the following: "j. home occupations k. Service stations and automobile repair shops where ingress

and egress of motor vehicles is approved by the Board of Selectmen as not being likely to endanger vehicular and/or pedestrian traffic, and where the Board finds the building design conforms with the planned development of the district." Yes 80, No 106.

ARTICLE 4: To see if the Town will vote to amend Art. V, Sec. B-2 of the Cornish Zoning Ordinance as proposed by the Cornish Planning Board as Amendment #3, by adding under Special Exceptions the following: "i. Service Stations and automobile shops where ingress and egress of motor vehicles is approved by the Board of Selectmen as not being likely to endanger vehicular and/or pedestrian traffic, and where the Board finds the building design conforms with the planned development of the district." Yes 80, No 96.

ARTICLE 5: To see if the Town will vote to amend Art. V, Sec. C-2 of the Cornish Zoning Ordinance as proposed by the Cornish Planning Board as Amendment #4, by adding under Special Exceptions the following: "g. Service stations and automobile repair shops where ingress and egress of motor vehicles is approved by the Board of Selectmen as not being likely to endanger vehicular and/or pedestrian traffic, and where the Board finds the building design conforms with the planned development of the district." Yes 83, No 96.

ARTICLE 6: Shall we adopt the provisions of RSA 72:70 for a property tax exemption on real property equipped with a wood-heating energy system which exempts from property tax the added value the wood-heating energy system gives to the property on which it has been installed: Yes 75, No 125.

Following the totaling of all the ballots, forms were filled out, used and unused ballots properly sealed and signed, the Moderator having announced the winners of the election and the results of the special ballots with Articles 2 through 6, and the Town Meeting was moved and seconded to be closed and was so voted.

Respectfully submitted,
BERNICE F. JOHNSON
Town Clerk

MINUTES OF SPECIAL TOWN MEETING

July 24, 1980

Peter Hoe Burling, Moderator, declared there to be a quorum of Cornish citizens present, and opened the Special Town Meeting promptly at 7:30 p.m. in the Town Hall.

The Moderator proceeded to read the Warrant, including the certification by the Selectmen on the back of the Warrant.

ARTICLE 1: Dale Rook moved, Ruth Stewart seconded, motion that the Town appropriate \$13,898.50 from the Revenue Sharing Fund established under provisions of the State and Local Fiscal Assistance Act of 1972 as amended by the Second Session of the 94th Congress, and to apply therefrom the sum of \$1,898.50 as a down payment for ambulance service for the Town as authorized under Article 13 of the annual Town Warrant; the sum of \$4,000.00 as an offset on the payment for an International Truck as authorized under Article 14 of the annual Town Warrant; the sum of \$1,500.00 as a down payment to the Cornish Rescue Squad, Inc. as authorized by the Town under Article 15: the sum of \$5,000.00 for sanitary landfill costs as provided

under Article 16, and the sum of \$1,500.00 for the naming, marking and mapping of streets as authorized under Article 18 of the annual Town Warrant. With a bit of explanation by the Selectmen, this article was voted on, in the affirmative.

ARTICLE 2: Myron Quimby moved, Edna Guest supported, that the Town raise and appropriate \$23,000.00 to stabilize and repair the Town Hall. The Moderator asked Robert Ballard, Chairman of the Town Hall Repair Committee, to explain the results of their investigation and give their recommendations. A printed sheet giving all this information was available to everyone. Quite a few minutes of discussion was held, with a number of residents giving their views. One group seemed to lean toward not doing anything to the present hall and building a new gym with new hall combined. The rest, knowing this was impossible right now financially, deemed it best to fix the present building. It was finally brought to a vote, by paper ballot per request of Ruth Stewart, and the results of the voting were: No 59, Yes 106, Blank 1. So it was a vote in the affirmative as declared by the Moderator.

ARTICLE 3: Helen Lovell moved, Bruce Tracy supported, the motion that we authorize the Tax Collector, with the approval of the Selectmen, to appoint a Deputy Tax Collector pursuant to RSA 41:38. With very little discussion this was voted on, in the affirmative.

ARTICLE 4: Matthew Tinker moved, Walter Jenckes seconded, that the Town vote to authorize the Tax Collector to accept advance payment of taxes pursuant to RSA 80-52A. This was so voted.

At this point in the meeting, the Moderator wanted the citizens to thank the Town Hall Repair Committee for all the hours of diligent work they had all put into their research of needed repairs for the building. Everyone present clapped their thanks and approval.

ARTICLE 5: Whittemore Littell moved, Ruth Stewart seconded, a motion that a portion of Clark Camp Road be closed from a point situated five hundred and eighty feet (580') westerly of U.S.G.S. marker #91 (1925), to its junction with the Center Road. Carolyn Madeira pointed out, with figures, just what the cost of closing this road would be to the residents of that section of Cornish. Someone pointed out (Robert LaClair) that Cornish would lose Duncan Fund money if any of this type of roads were closed. Costs of a new bridge versus a large state-approved culvert were discussed. Just where to close the road on the east end was discussed. The motion was finally brought to a vote, in the negative.

ARTICLE 6: William Gallagher moved, Shirley Sullivan seconded, that we elect members to the Planning Board as provided by N.H. Revised Statutes. A number of residents gave their opinions on this article — Paul Queneau, Prue Dennis, Bill Gallagher, Edmund Belak, Sally Wellborn, Samuel Hibbard, Nicolaas Leyds, Bill Ardinger, etc. The article was finally brought to a vote, strongly in the negative.

Gini Hunt moved, Barbara Rawson seconded, that we adjourn. 10:00 p.m.

BERNICE F. JOHNSON
Cornish Town Clerk

BUDGET OF THE TOWN OF CORNISH, N.H.
Appropriations and Estimates of Revenue for the Ensuing Year

POLICE DEPARTMENT

In 1980 the Cornish Police Department saw a large increase in the volume of police calls of every nature. This is partly due to the Police Emergency phone installed at the Claremont Police Department for use by Cornish residents.

Auto accidents created the most incidents requiring police. Speeding and drinking while driving were a contributing factor in the majority of cases. The number of arrests in 1980 showed an increase. They resulted from thefts, breaking and entering, driving while intoxicated, as well as the possession of drugs.

In 1981 the department will focus more attention on these problems and will pursue a policy of follow-up as in 1980. This past year stolen property as well as motor vehicles have been recovered with the appropriate court action being taken.

Upgrading the expertise of our officers has had a high priority. At present we have two of our officers attending the N.H. Police Standards and Training Course being conducted at the Claremont Police Department facility.

We appreciate the support and confidence the community has shown us in many ways.

JAMES H. LUKASH

Chief

1980 REPORT FOR THE CORNISH FIRE DEPARTMENT

The Fire Department responded to 80 calls in 1980. Thirteen of these were mutual aid to Claremont, Meriden and Plainfield. This is a total of 31 more calls than in 1979.

Several of the members again attended training schools this year.

A fire prevention program was offered the school children in October. A poster and essay contest was held.

The 1959 Mack truck was traded for a 1964 Mack truck. This is stationed at Parsonage Road station.

The Fire Dept. and Ladies' Auxiliary again purchased several pieces of equipment. This equipment was purchased with money realized from various fund-raising events that both groups participate in all year.

The Fire Dept. is currently running weekly bingo games at the town hall as a fund raiser.

Respectfully submitted,
DUANE ALLEN
Fire Chief

REPORT OF FOREST FIRE WARDEN AND STATE FOREST FIRE SERVICE

Forest Fire Prevention: Your Business, Our Business, Good Business. Forest fire prevention slogans have been seen in association with Smokey Bear since the late 1940's when a national effort to check the spread of forest fires was implemented.

New Hampshire residents recognized that forest fire prevention and suppression was the responsibility of every citizen, a half century before this national campaign, when our Legislature established our first forest fire laws in 1903. Since that date, the state has appointed a town/city forest fire warden who is responsible for forest fire law enforcement in his municipality.

All fires kindled out of doors when there is no snow on the ground must be approved in writing by the forest fire warden before being kindled. All forest fires must be suppressed by the warden and his deputies as soon as they are reported. The cost of fire suppression is shared jointly by the town/city and the State of New Hampshire, as are forest fire prevention and forest fire training costs.

This state and local municipality cooperative forest fire program has given New Hampshire one of the best forest fire records in the United States.

1980 ANNUAL REPORT OF THE CORNISH RESCUE SQUAD, INC.

The Cornish Rescue Squad has completed its seventh year of service with 20 active members. During the year the squad responded to 40 emergencies in Cornish, 33 emergencies in Plainfield, as well as all fires in Cornish and mutual aid calls.

Our primary function continues to be to provide first response emergency medical care for the sick and injured. In addition we provide first aid and lighting coverage for all fires in Cornish and mutual aid fire calls in our neighboring towns, standby ambulance crews for Windsor and Claremont, and first aid coverage for community activities such as the Cornish Fair.

This year our expenses were over \$5,800.00 with \$1,500.00 being received from Cornish and the remaining from fund-raising activities and donations. This next year the squad will be asking both the towns of Cornish and Plainfield for money to assure services by the squad at their annual town meetings.

The Cornish Rescue Squad strives for the highest possible level of emergency medical care for our patients. In doing so our 20 members have attended monthly hospital critiques, regional educational seminars and maintained their level of training. Nine of our members have advanced skills and with direct medical control with Mary Hitchcock Memorial Hospital or Mt. Ascutney Hospital can provide timely use of this training and equipment.

We appreciate the continued support throughout the year.

Respectfully submitted,
JOHN H. RAND
President

REPORT OF OVERSEER OF PUBLIC WELFARE

The Welfare Department has had a relatively quiet year although financial aid was extended to several families and individuals in town.

The high cost of heating fuels was responsible for many of the problems. Much of that burden has been eased by the Emergency Energy Assistance Program administered by the Southwest Community Services group in Claremont.

We continue to try to provide adequate assistance to those in town who do truly require it.

I wish to thank all of those who have given me advice and guidance during the past year.

PETER C. STORRS
Overseer of Public Welfare

HEALTH DEPARTMENT

Five cases came before the Health Department in 1980. All but one were resolved before Jan. 1, 1981. May 1981 be as quiet and healthful!

GINNY HUNT
Health Officer

**1980 ANNUAL REPORT OF THE
WINDSOR REGIONAL VISITING NURSE ASSOCIATION
Cornish, New Hampshire**

The Windsor Regional Visiting Nurse Association is a non-profit organization offering nursing care, under physician referral, to the homebound and chronically ill residents of Windsor and West Windsor, Vt., and Cornish, N.H. Services include health teaching, monitoring of health status, bed baths, bandage changes, foot care, new baby visits, as well as assisting patients with referrals to other supportive agencies. We work cooperatively with Sullivan County Homemakers and N.H. Public Health in addition to physical, occupational and speech therapists at Mt. Ascutney Hospital whose services are available to Cornish residents on a home visit basis.

In 1980, 289 home visits were made to Cornish residents, 9.8% of the total case load of 2,945. Three free blood pressure clinics were held at the Cornish Town Hall, and Cornish residents are encouraged to attend our monthly free blood pressure clinics at the Windsor House.

Our board of directors are requesting a 10% increase in budget allotment from the three towns we serve, primarily to keep even with inflationary cost of supplies and gasoline. The patient fee is \$5.00 per visit, but thanks to community funding and generous donations, the services are available to those in need regardless of ability to pay. Our hours are 9 a.m. to 5 p.m., Monday through Friday, and we may be contacted by phoning 674-6711, Mt. Ascutney Hospital and Health Center, who donate office space and telephone facilities.

Respectfully submitted,
PATRICIA L. HARFORD, RN
Coordinator

CORNISH PLANNING BOARD REPORT

The Planning Board has had a very busy year. Ten minor subdivisions, three major subdivisions, and three annexations were approved.

Two changes in the Zoning Ordinance have been prepared and will be presented to the voters in March 1981.

Wells Chandler was reappointed to a five-year term on the board. Peter Storrs resigned from the Conservation Commission and was appointed, replacing Donald LaClair who moved out of town. Audrey Jacquier was delegated by the Conservation Commission to serve as their representative on the board.

CONSERVATION COMMISSION REPORT 1980

On April 26 we held a green-up day and quite a few of our town roads were cleaned of trash and litter. The last Saturday of April has been designated for clean-up day in 1981.

We took part in the flea market at the Meeting House in June.

With the assistance of the Cornish Fair Association we sent Tina Dunn and John Stocker as students, and James Fitch as an adult, to the Conservation Camp in early summer, and then had an exhibit of some of their work at the Cornish Fair.

Films were shown several times during the two days of the fair.

At the August meeting we listened to Robert Linck of the Connecticut River Watershed Council tell us of his work along the river looking for areas suitable for parks, historic areas, fishing and boating areas.

Much of the work of the Commission this year has been in connection with the land survey questionnaire which was sent to each taxpayer in October. The response to the survey was excellent and we are now getting the results into usable form.

Some articles of historic interest were donated to the Cornish Historical Society during the year.

Chairman

TOWN HALL COMMITTEE REPORT

We, the Town Hall Committee, gave the selectmen the following proposal for a guideline on the use of the town hall:

1. Following organizations were recommended for free are:
 - Fire Department
 - Police Department
 - Ladies' Auxiliary
 - Bingo
 - Rescue Squad
 - Fair Association
 - School
 - Parent-Teacher Association
2. Following organizations were recommended for a nominal fee:
 - Cub Scouts
 - Boy Scouts
 - Churches
 - Snowmobile Club — and other civic organizations to be determined by the selectmen. We felt that \$10.00 would be considered a nominal fee.
3. Following groups would be charged \$10.00 for four hours:
 - Any in-town groups such as:
 - Volleyball
 - Basketball
4. Following groups would be charged the same as in the past, set by the selectmen:

Out-of-town groups	\$90.00
Weddings, etc.	\$50.00

TOWN HALL REPAIR COMMITTEE

The Town Hall Repair Committee was established at the March 1980 Town Meeting to investigate the condition of the town hall and make recommendations to the selectmen no later than June 10, 1980. A total of seven meetings were held between April 17 and May 29, 1980.

The committee inspected the building and evaluated their findings. The inspection revealed that the sills around the main part of the building had extensive rot and needed to be replaced. The exterior of the building needed painting and the roof needed extensive repair. On the interior, the kitchen area was found to be in poor condition and needed upgrading.

Specifications were drawn up to cover these areas as were specifications for putting in a drainage system around the building to help alleviate the problem which caused the sills to rot. Specifications were written for putting insulation in the attic to help conserve heat. A list of contractors was formed for each segment of work to be done and specifications were sent to these contractors for bids which were to be returned directly to the town selectmen.

The committee prepared a report recommending the town call a special meeting to raise the money to have these repairs made. A special meeting was held in August and an article passed to appropriate monies to have the repairs done. Repair work started shortly thereafter and was completed later in the fall of 1980.

Respectfully submitted,
M. ROBERT BALLARD
Chairman
Town Hall Repair Committee

GEORGE H. STOWELL FREE LIBRARY REPORT — 1980

Library Hours — Monday	3-9 p.m.
Wednesday	3-9 p.m.
Saturday	9 a.m.-12 noon
Telephone — 543-3644	

The George H. Stowell Free Library has gone through many changes over the years. We are attempting to keep pace with the evolving interests of the Cornish people through suggestion boxes, a book selection committee and individual requests to the state loan system. We are acquiring books relevant to the present Cornish Community such as books on energy efficient houses, agriculture and gardening, health, consumer guides, bicycle and auto repair manuals, home business, and "How to" alternative energy books. We are also developing our reference collection to aid students with their studies.

We have formed a book buying co-op with 35 other libraries of the Upper Valley to stretch our book budget. Through the co-op we receive a 37% discount on most titles.

Book donations have been encouraging. Among this year's gifts are 36 new novels and mysteries, as well as books on art, history, science and sociology. We also received a new set of Academic American Encyclopedias from Warren French whose writings appear in some of these volumes.

Another area of sharing which has expanded our library's potential at no expense is our volunteer program. We have 14 regular people who volunteer their time to keep the library open every Monday and Saturday. This voluntary work saved the Cornish taxpayers \$1,500 this year.

We have been exploring ways for our library to cooperate with the school. We are loaning collections of fiction to the school library to circulate for three-month periods. This fall, three classes from the Cornish and Plainfield schools visited our Endangered Species Exhibit. We are also encouraging teachers to share their yearly curricula with us so we can obtain books for the students' research projects.

Linda Hammond volunteered her time to teach a three-month art program for children on Saturday mornings.

The state bookmobile visited us three times this year. Each visit we selected approximately 300 books which we circulated for four months.

We still welcome payment of overdue book fines in firewood.

Recent periodical additions include: "New Farm," "New Shelter," "The Mother Earth News," "New Roots," and "Cobblestone."

It's been a year of changes at the library. Our circulation figures reflect that we're on the right track.

2174 People patronized the library this year

3242 Books were loaned out

FRIENDS OF THE LIBRARY REPORT — 1980

Films were shown in March — “On the Waterfront” being one. In May guest speaker Bill Gallagher spoke on “Ways to Use the Library to Develop Alternate Energy Sources.”

During early months through July we had an exhibit in the Historical Room on "Herbs and Folk Medicine." At the Cornish Fair we won second prize for the Special Exhibit, "Early Days in the Library," featuring Mrs. Robert Barrett, the first librarian.

We sponsored a birdwalk in the fall and had slide shows; Phoebe Wray spoke on "The Endangered Whales and Other Sea Creatures," also on birds and animals. Vernon Fields spoke on stone walls, vines and ground covers.

The mini-bookmobile to shut-ins was resumed in November.

The Historical Room exhibits were well attended and were found very interesting.

Respectfully submitted,
STANLEY G. WOODWARD
Secretary-Treasurer

ROAD NAMING COMMITTEE

Large wall size maps were printed in Concord and distributed to area emergency services. Smaller maps were printed in Lebanon and distributed through the Cornish Conservation Commission questionnaires, to the Cornish property owners. Any more maps can be obtained from the selectmen's and town clerk's offices for a fee.

Two meetings were held to discuss estimates on road sign materials. An agreement was made and work will hopefully begin in the spring. Work bees for volunteers will be organized later.

CORNISH HISTORICAL SOCIETY

1980 saw the reopening of the Blow-Me-Down covered bridge. Appropriate ceremonies were held on a blustery Oct. 26 with many townspeople and visitors present. We wish to thank all those who made special contributions which helped to make this event possible.

Ceramic tiles showing a picture of the Cornish-Windsor covered bridge proved to be a popular seller. Our thanks to Stephen P. Tracy for his drawing of the covered bridge used on the tile.

Numerous gifts associated with Cornish history have been received this year. These include photographs, letters, various documents, books by Cornish authors, a painting by Elmer W. Bartlett, a Saint-Gaudens medallion, and a bottle with the label "Rye Whiskey bottled by A. L. Peters, Cornish, N.H." Thank you all.

The Postcard Scrapbook continues to grow with a collection of 138 postcards of Cornish scenes, all different.

Volunteers with typing skills and a typewriter are needed to help with the indexing of the town's vital records.

The reprint of the "History of Cornish" by Wm. Child may be ordered at any time. Silver and bronze bicentennial medals, paperweights, covered bridge notepaper and "General Jonathan Chase Revolutionary War Papers," and covered bridge tiles are in stock.

Our society welcomes new members who share our interests.

VIRGINIA COLBY
President

REPORT OF THE CORNISH MEETINGHOUSE

Restoration of the Cornish Meetinghouse continued this year with the replacement of the platform and steps. The foundation was also repaired and that will help solve the problems of drainage. Application has been made for a 50% matching grant for restoration to date. The payment has been approved and an amount of \$3,625.25 is currently being processed.

The building was used frequently throughout the year. The Boy Scouts and Cornish Historical Society use the building regularly. Other activities, such as several weddings, PTA rummage sales, PTA haunted house, Cornish Kindergarten Flea Market and a baptism utilized the building.

Again, the Trustees of the Meetinghouse wish to acknowledge the guidance and assistance of Stephen Tracy. Gratitude is also expressed to private donators who helped defray the cost of maintaining the building.

CAROLINE STORRS
Chairperson

REPORT OF THE N.H./VT. SOLID WASTE PROJECT REPRESENTATIVE

The following is a summarization of the N.H./Vt. Solid Waste Project's activities to date. The concept of converting waste to energy, although done in other parts of the world, is very complex and requires a vast amount of analysis. The process is further complicated by the crossing of state lines and involving as many as 26 communities. Volumes of printed data are available to any who would like more detailed information regarding the project.

JILL EDSON
Cornish Representative

N.H./VT. SOLID WASTE PROJECT

Phase II, which began in October 1979 is now complete. Representatives from all 26 participating municipalities, at the Dec. 18, 1980, planning committee meeting voted unanimously to recommend continuation of the N.H./Vt. Solid Waste Project. The United States Environmental Protection Agency has tentatively awarded the City of Claremont, acting as grantee, up to \$180,000 for Phase III. The grant is contingent upon continued participation by the municipalities after March 1981. Together, the municipalities must raise up to \$60,000 to match the Federal funds. The actual grant award will depend upon the number of municipalities participating in Phase III.

During 1980, the technical consultants, Camp, Dresser & McKee, Boston, Mass., completed a detailed analysis of the four potential steam markets in Claremont, N.H. The potential for producing electricity was also carefully studied. Electricity production became an attractive alternative for two reasons. First, a new New Hampshire law requires all public utilities operating in the state to purchase power from small power producers at 7.7 cents per kw. Second, Camp, Dresser & McKee determined that a waste-to-energy plant, burning all of the waste estimated to be generated in the project area, could produce slightly more steam than could be consistently utilized by the potential steam customers. Alternatively, all the electricity produced could be sold throughout the lifetime of the project.

Camp, Dresser & McKee concluded, after an on-site evaluation, that all 12 existing land disposal sites would be classified as "open dumps" under new state and Federal regulations. The open dump classification is the result of existing or potential ground water or surface water pollution. Upgrading the sites to reduce water pollution will be more costly than construction of properly designed regional disposal sites — even if the cost of transporting waste to the regional sites is included. However, it will be difficult to locate environmentally sound and politically acceptable land disposal sites. And, inflation will continue to increase future land disposal costs.

The cost of a waste-to-energy facility was compared with the cost of regional land disposal facilities. The result indicates that continued inflation and energy cost increases could make a waste-to-energy facility competitive with land disposal within five years. Actual costs will depend on the willingness of the local industries or public utilities to enter into long-term energy purchase contracts. The negotiation of these contracts is the first priority during Phase III.

Recycling of solid waste was also evaluated during Phase II. Based on a report by Recycling & Conservation, Inc., Kittery, Maine, planning committee members have determined that recycling should be an important

component of either a waste-to-energy system or land disposal system.

The Planning Committee spent many long hours working on an organizational structure which would allow 26 municipalities in two states to cooperatively build and operate either a regional land disposal system or a waste-to-energy facility with land disposal of ash. They determined that solid waste districts (one in New Hampshire and one in Vermont) were the only legally sound and financially strong organizations capable of efficiently managing the solid waste problem.

Vermont law requires that a "joint survey committee" consisting of three representatives from each municipality be formed to draw up the wording of the district agreement. The selectmen are authorized to appoint the representatives.

It is expected that should the municipalities continue with the project, the joint survey committee will have prepared a district agreement by October 1981 and will be asking the municipalities to vote to join the district at March 1982 town meetings. By March 1982, the project should also have a contractual commitment from an energy purchaser. If a contractual commitment cannot be negotiated, the project will begin locating regional land disposal sites.

Copies of the reports prepared during Phase II are available through your selectmen, and at the town libraries. In addition, all planning committee meetings are open to the public.

Respectfully submitted,
TED SIEGLER, Project Manager
Rm. 342 Moody Building
Claremont, N.H. 03743

DARTMOUTH-LAKE SUNAPEE REGION ASSN.

The officers and board of directors of the Dartmouth-Lake Sunapee Region Assn. (DLSRA) wish to thank the townspeople and officials of Cornish for their generous appropriation at the 1980 Town Meeting.

DLSRA, a non-profit organization, worked hard to make this area a vacation destination during 1980. Our 120 business members and volunteer board members believe that all businesses, not only inns and restaurants, benefit from a healthy vacation travel economy. We applied for and received over \$7,000 in N.H. State Matching Funds to produce and distribute 75,000 copies of our new color-covered vacation brochure. This was the first time our region had a selling piece that was competitive with other sections of the state and New England. Exactly \$7,332 in private funds were matched by a like amount of state dollars in November 1980 so that DLSRA could organize and carry out an important advertising campaign to promote mid-week skiing in our region. All major downhill and cross-country centers participated along with over 25 lodging and dining establishments. DLSRA also funded a seven-day-a-week live ski information phone during the winter of 1979-80.

In addition to these major achievements DLSRA mailed nearly 4,000 vacation kits to people who wrote our office, handled several hundred phone inquiries, prepared several news releases and feature stories for over 90 travel editors throughout the East and established a unique theater/lodging/dining discount program for summer arts enthusiasts.

This year promises to be busier than last and we would sincerely appreciate your continued support! Thank you.

CORNISH FAIR ASSOCIATION

The theme for our 1980 Fair was "Legends." In late May the soccer field was leveled off with topsoil furnished by the Fair. We also paid for all fuel used in town equipment doing the job and to have it seeded down.

Two new bleachers were purchased for the ballfield. Three scholarships of \$100.00 each were presented to Joyce Aldrich, Heidi Rook and Julie Rogers. We put a new ceiling into the Town Hall; also money was voted to fix the electric wiring.

Donations were given to the Cornish Farmers Market, Rescue Squad, Cornish School for playground equipment, Little League for parking cars during the Fair, and to the Boy Scouts for a wonderful job of cleaning the grounds.

The Idlenot Dairy of Springfield, Vt., donated a tank truck filled with water for emergency use. R. N. Johnson put in milking machines for use of the dairy people.

Bonnie Kabalka, a former Cornish Fair Queen, helped Myron Kuhre with the Queen Contest. Our new queen is Valerie Bugbee. The tickets the queens sold this year were on two food baskets of \$100.00 each.

Thanks to the N.H. State Police Auxiliary for a wonderful job done again this year.

We had a record number of cattle this year with a big horse and oxen pulling contest. Woodsman Field Day, supervised by the N.H. Timberland Owners Assn. was a big success.

Thanks to everyone who helped make this year's Fair a big success.

VETALINE CARPENTER

Assistant Secretary

THE CORNISH FARMERS MARKET

The winter nights are long and the days are cold, but eventually one starts to look at the seed catalogs and thoughts turn to spring and gardens.

Thus was the motivation behind two Cornish residents, Judy Kaufman and Martha Zoerheide, in April of 1980 as they called friends and neighbors to a meeting to discuss the possibility of a market for surplus vegetables. The dream was a farmers market located within the township of Cornish.

Under the capable leadership of Steve Peters, president; Bill Monette, vice-president; Martha Zoerheide, treasurer, and Bill Noble, secretary, the dream became a reality and the birth of the Cornish Farmers Market was on July 5 at the historical Trinity Church site.

The Cornish Farmers Market is an affiliation of local farmers whose goal is to encourage preservation and expanded productivity of the farmlands of the area. The market will provide fresh, locally grown food as an alternative to the produce which is trucked from other parts of the country.

Offered for sale were maple syrup, cordwood, picnic tables and crafts. The Cornish area is striving for self-sufficiency in food. The Cornish Farmers Market is an outlet for surplus. The produce sold at the market was grown in local gardens. Baked goods from local kitchens and the eggs from local 4-H flocks, as well as rabbits and ducks were sold.

The first weeks were touch and go. Too many sellers, not enough buyers. Expenses ran about \$600. An estimated gross income for the season of \$3,000

came from 20 sellers and an estimated 1,000-1,500 buyers. A small amount was carried over for this year's expenses.

It is not surprising that the Cornish Farmers Market received enthusiastic support from the local community. A local attorney gave generously of his time. Barns for storage, scales, monetary donations and willing workers miraculously appeared. So many people did so much that to mention each one would take too long and someone would be forgotten. We would like to take this opportunity to thank everyone who helped in any way to make the Cornish Farmers Market the success it was. A special thanks to the Trinity Church people and to the selectmen who were always nearby with encouragement.

Plans are underway for the '81 season. The market will open June 27 at the Trinity Church site. Hours are from 10 a.m. to 1 p.m. every Saturday until mid-October.

Again our thanks to a great community and we hope to see you buying and selling at the market.

POLLY MONETTE

Member

Note: The attractive sign on the cover of the town report was done by members Linda Hammond, Sally Weliborn and Lindy Madeira.

RECYCLING CENTER REPORT

The Recycling Center on Route 120 is in its fourth year of successful, volunteer operation. During this year we collected and recycled approximately the same volume of materials as last year, including:

- 2 tons of tin and steel
- 20 tons of glass
- 100 pounds of aluminum
- 2 tons of newspaper
- 100 gallons of used motor oil

There is one change in the usual recycling procedure — a newspaper deposit box, at the left of the sliding door, has been built. Baling twine, at the right of the box, is provided for tying newspaper firmly.

Again we encourage everyone to conserve energy, landfill sites and resources by using the Recycling Center in Cornish. We especially want to thank the many volunteers who help crush glass, shovel snow, truck metal and generally keep the center tidy; the Town Road Crew for excellent road maintenance and snowplowing, and, too, all who use the Cornish Recycling Center.

CEMETERY REPORT

We repaired and reset over 40 headstones this year. As far as I am concerned, the stones are a reminder that these people were on this earth. We started to clear the land around the Chase Cemetery. The fences in some cemeteries need repair badly, but the funds have run out. The clearing in Huggins Cemetery turned out fine. We trimmed the bushes and cleaned Childs Cemetery.

I wish to thank the Selectmen, Road Agent and my faithful help, without whom I would not have been able to accomplish as much as I have. Again I thank everyone.

HOLLIS J. BOARDMAN
Cemetery Sexton

AUDITORS' REPORT

We, the undersigned auditors for the Town of Cornish, New Hampshire, hereby certify that we have examined the accounts of the Selectmen, Town Clerk, Town Treasurer, Tax Collector, Trustees of Trust Funds, Library Trustees, Revenue Sharing Funds, Meeting House, and find them correctly cast and properly vouched.

WHEELS AROUND WINDSOR

For 1981 Wheels Around Windsor proposes to carry out with the greatest possible efficiency the pledge to "maintain and expand what is important." We propose no drastic changes in services but do propose to expand and extend our services, constantly striving to search out and identify those seniors whom we have not yet reached who may be in need of any phase of the program.

The five-part program is described in some detail under program description. The funds requested on the following pages will be used to help defray administrative costs and to help meet the nutritional and ancillary expenses.

We are requesting a subsidy from the community whose elderly are well served by Wheels Around Windsor. Other sources which contribute to make these services possible include Wheels Around Windsor, Council On Aging and other towns.

We would like to point out that we strive to give the maximum service for the lowest possible cost by careful planning and management. This year we have made some administrative changes which should positively effect our efficiency. The director of the program will also be director of the Senior Center, the Advocate will work only on services for 25 hours a week and with cooperation of the Council On Aging a part-time bookkeeper has been hired. It is felt that these are very positive changes.

For the coming year we are requesting the sum of \$600.00.

Thank you for your consideration.

Sincerely,
HARRIET F. JUDY
Director

SCHOOL WARRANT
Cornish School District
State of New Hampshire

To the inhabitants of the School District of the Town of Cornish, in the County of Sullivan in the said State, qualified to vote in district affairs:

You are hereby notified to meet in the Town Hall, in said District, on the 7th day of March, 1981, at 10 o'clock in the forenoon to act upon the articles set forth in this Warrant.

Article 1 of the Warrant will be voted upon by official ballot and checklist, and the polls will remain open for this purpose from 10 o'clock in the forenoon until 7 o'clock in the evening.

The business session of the School District meeting will commence at 1 o'clock in the afternoon, at which time all the remaining articles will be acted upon.

ARTICLE 1: To choose a Moderator, Clerk, Treasurer and Auditors for the ensuing year, and two members of the School Board for a term of three years.

ARTICLE 2: To hear reports of Committees, Agents, Auditors or Officers heretofore chosen, and to pass any vote relating thereto.

ARTICLE 3: To see what sum of money the District will raise and appropriate for the support of the schools and salaries of School District officials, agents and employees, for the payment of the District's obligations, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenues and the appropriation, which balance is to be raised by taxes by the Town.

ARTICLE 4: To see what sum of money the District will raise and appropriate for the construction of a storage shed on school property.

ARTICLE 5: To see if the District will vote to authorize the School Board to make application for and to accept and expend, on behalf of the District, any and all grants or other funds for educational purposes which may now or hereafter become forthcoming from the United States Government or from the State of New Hampshire.

ARTICLE 6: To see if the District will vote to authorize the School Board to accept and expend, on behalf of the District, any and all gifts or other funds received from miscellaneous sources as the Board shall determine to be advisable.

ARTICLE 7: To choose Agents and Committees in relation to any subject embraced in this Warrant.

ARTICLE 8: To transact any other business that may legally come before this meeting.

GIVEN UNDER OUR HANDS AND SEALS at said Cornish, this 20th day of February, 1981.

MICHAEL M. YATSEVITCH
JILL M. EDSON
FRANK N. ACKERMAN

KATHERINE E. KIBBIE
Cornish School Board

CORNISH SCHOOL MEETING

March 8, 1980

At the annual meeting of the School District of the Town of Cornish, N.H., held on March 8, 1980, Frances A. Ackerman, Kathryn M. Patterson and Lorraine Lawrence were sworn in as ballot inspectors by the School Clerk. Supervisors of the checklist, Ruth G. Rollins and Paul L. Rollins, were also sworn in.

The meeting was opened by the Moderator, Peter H. Burling, at 10:10 a.m. with the reading of the Warrant. The Moderator then declared a quorum present and opened the polls.

Ballots Printed: 600 Used: 119 Unused: 481

ARTICLE 1:

Moderator — Peter H. Burling was elected Moderator for the ensuing year with 115 votes.

School Board — Michael M. Yatsevitch was elected for a three-year term with 102 votes.

Treasurer for one year — Lorraine Lawrence was elected with 115 votes.

School District Clerk — Kathryn M. Patterson was elected by a write-in vote of 31.

Auditors — Donald Powers received 14 write-in votes and Edna Guest received 12 write-in votes.

ARTICLE 2:

Polly Rand moved that we accept the reports of Committees, Agents, Auditors or Officers as printed in the 213th Annual Report of Cornish, N.H., for the year ending December 31, 1979. Dale Rook seconded. So voted.

ARTICLE 3:

Jill Edson moved that the District raise and appropriate the sum of \$502,261 for the support of the schools and salaries of School District officials, agents and employees, for the payment of the District's obligations, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenues and the appropriation, which balance is to be raised by taxes by the Town. Joan Baillargeon seconded.

There was considerable discussion on an item in the budget of \$2,000 for Physical Education. Lew Gage questioned such a program being instigated since the voters turned down Article 4 in March 1978. Kay Kibbie explained that the School Board was unable to obtain a music teacher, for which \$2,000 had been appropriated last year, so at the request of the PTA they had spent approximately \$1,000 of this on Physical Education. This was not comparable to the article in 1978 which requested \$4,500 for an instructor for 2½ days a week.

Clara Weld asked why the teachers' salaries were not listed in the report and Mike Yatsevitch said that they should have been and had not been intentionally omitted. Mr. Leyds asked if the School Board could read them at this time, and the Moderator read the names of the teachers and their respective salaries. Clara Weld asked for a rising ovation for Frances Ackerman for her many years of dedicated service in the hot lunch program.

The motion to raise and appropriate \$502,261 was voted on and passed.

ARTICLE 4:

Joan Baillargeon moved that the District raise and appropriate the sum of \$14,500 for the transportation of Cornish high school students. Judy Rook seconded. Mr. Hibbard moved that we vote by Australian ballot and Bob Hilliard seconded; this was passed and discussion was opened on the original motion.

Jack Bateman stated that he carried 60 to 70 students to Claremont on his morning run and around 60 in the afternoon out of 95 students now attending Stevens High. The increase was due to the need of running two buses now instead of one. Polly Rand pointed out that considerably less gas would be used by one bus trip than would be used by perhaps 25 cars having to run to Claremont every day. With the energy crunch the taxpayers would be doing their bit to conserve energy by passing this motion. Much sentiment was expressed for those on fixed incomes who could not continually pay higher taxes — they had felt the pinch when their children had to be transported to high school but had managed to do it. By transporting students with tax money, the voters would be paying the rest of their lives.

The article was voted on by Australian ballot and passed. Yes 67, No 61.

ARTICLE 5:

Dale Rook moved that the District authorize the School Board to make application for and to accept and expend, on behalf of the District, any and all grants or other funds for educational purposes which may now or hereafter become forthcoming from the United States government or from the state of New Hampshire. Jill Edson seconded. So voted.

ARTICLE 6:

Mike Yatsevitch moved that the District authorize the School Board to accept and expend, on behalf of the District, any and all gifts or other funds received from miscellaneous sources as the Board shall determine to be advisable. Seconded by Mrs. Poor and passed.

At this point the Moderator asked to hear a report (re Article 2) which had been postponed in the hope that the Chairman of the committee would be here. Since he had obviously been detained, the Moderator asked Lew Gage to advise the voters of their progress. As reported last year (Article 8) the only feasible way to build a gymnasium/auditorium would be a school related one since 30% of the cost of bonding would be paid by the state. Last year's cost was around \$225,000 so with inflation it would probably cost at least \$300,000. Mr. Gage asked the voters if they felt such an article could pass if the committee were to spend another year doing more studies. Mr. Hibbard felt that, because of the economy, it would be practically impossible to get bonding anyway. Polly Rand moved that we extend the mandate for the School Addition Committee for another year. Seconded by Bruce Tracy. Clara Weld pointed out that once this \$300,000 was spent it would be just a beginning as it would also have to be maintained. Lew Gage felt the cost of operation would be in the vicinity of \$10,000 a year.

The motion to continue with this committee was voted in the negative.

ARTICLE 7:

Donna Higgins moved that we set up a committee to study the possibility of having a high school in Cornish. Seconded by Sandy Powers. Voted in the negative.

Lew Gage expressed thanks to Stan Judkins (deceased) and Steve Tracy for their work on the School Addition Committee. The Moderator extended this appreciation to include all those who gave their time to the committee.

Clara Weld pointed out that the Fair Association had donated a lot of money to the school.

Mr. Hibbard moved to reopen Article 3. Seconded by Mr. Leyds. This would require a two-thirds majority and was defeated. Yes 34, No 55.

Kay Kibbie moved that the business portion of this meeting be closed — Brad Hills seconded. The Moderator announced the business meeting closed at 4:25 and the polls would be open until 7 p.m.

At 7 p.m. the polls were closed, the ballots were counted and the winners were announced.

Respectfully submitted,
SHIRLEY M. LIBBY
Clerk

REPORT OF THE CORNISH SCHOOL BOARD

Again this year the school board can report that the school continues to function smoothly under the capable administration of Principal Peter Hutchins, the assistant superintendent and our staff.

For an account of the year's activities the board refers you to the reports in the following pages.

MICHAEL M. YATSEVITCH
Chairman
JOAN N. BAILLARGEON
Vice Chairman
JILL M. EDSON
Secretary
FRANK N. ACKERMAN
KATHERINE E. KIBBIE

REPORT OF THE ASSISTANT SUPERINTENDENT

To the Citizens of Cornish:

We can look with pride to our school and say, "That's what is right with education today." How fortunate we are. As we listen to others discuss schools it seems more often than not only complaints come forth. The staff at the Cornish school is results oriented, academic and otherwise. People are working together; they are taking pride in their work and they are doing it with enthusiasm. It's an all inclusive effort with staff, students and parents working together for common purposes.

A team effort doesn't just happen by chance. A key factor is the selection of faculty. Three talented teachers joined us this year.

Sandra Rudner replaced Betty Gatewood. A graduate of Keene State College, Mrs. Rudner taught a number of years in varied grades — most recently in Illinois.

Caroline Storrs replaced Deborah Carpenter. She too is a graduate of Keene State College. Mrs. Storrs has varied experiences teaching students and working with adults — here and elsewhere.

Evelyn Willson-Gregorchuk replaced Patricia Clark. Mrs. Gregorchuk was awarded her degree at Oneonta State University. She previously taught high school in Southampton, N. Y.

The board has an open and supportive relationship with the staff; each party is understanding and respectful of the other's role. The board continues upgrading the building itself. The heating system has now been completely overhauled and tuned for peak efficiency. The floor tile replacement project was finished just last summer. Board members continue to keep abreast of current issues by attending meetings or bringing the "experts" to us. Some examples: discussing vocational education with John Goodrich who will be the director of this area's new six million dollar skills center; with Donna Cole and Dr. Edward DeForrest, consultants in education for the handicapped, and with local insurance agents to keep in line ever escalating costs in that area.

Few people really know the time and energy members of a school board give to oversee the total operation of a school system. They deserve your utmost gratitude.

My most immediate concern for all New Hampshire schools is the funding aspect for the handicapped. Federal and especially New Hampshire laws have in recent years placed a tremendous responsibility as well as financial burden on us. Mandates originate from Concord legislators with promises of dollars to carry them out. In reality, it's the same old story — promises but little financial support. A number of us are working hard to get some of the statutes changed but we best prepare to soon fund locally a much larger portion of these costs. The same is said for the Food Service Program.

I do view Cornish's future with much optimism. Our business is a people business and my associations with everyone have been positive and productive.

RICHARD F. WALDO
Assistant Superintendent

PRINCIPAL'S REPORT

To the Citizens of Cornish:

In my second year as principal I set three major goals for the Cornish Elementary School. First, to continue to have students develop responsibility for themselves in terms of behavior, academic performance, and social skills. Second, and within the confines of the budget, to gather a staff committed to providing a quality education for your children. Third, to provide a curriculum of studies and school environment that will stimulate, challenge, and encourage children academically and socially. I believe we have made continued improvement in these areas.

We have gathered an effective staff, one that works within the confines of a budget, and one that looks to develop strong academic performances from children, while at the same time, gives encouragement and praise. With the help of the community and PTA, we have provided the students a beautiful new playground structure, we have received a grant for our own mini computer, and have begun an excellent Physical Education program. These factors, plus the encouragement of this community, have helped to create a school in which students, faculty, parents, and the community, as a whole, are proud to belong.

In conclusion, I wish to express my appreciation to the Citizens of Cornish and to my staff who both have supported the school with spirit, enthusiasm, and interest. It is only through these cooperative efforts that we can provide the children of Cornish a truly quality education.

Respectfully submitted,
PETER F. HUTCHINS
Principal

CORNISH HOT LUNCH PROGRAM

Despite a spiraling economy, the Cornish Hot Lunch Program managed to end the 1979-80 school year with a \$79.00 surplus. This was due primarily to sound management and purchasing on the part of Frances Ackerman, hot lunch manager, and her assistant, Norma Garcia. Mrs. Ackerman completed her 23rd year at the Cornish School while Mrs. Garcia completed her ninth year. Such dedication and willingness to serve the children of Cornish is greatly appreciated.

Respectfully submitted,
PETER F. HUTCHINS
Hot Lunch Director

SCHOOL NURSE'S REPORT

To the Citizens of Cornish:

I herewith submit the annual school nurse's report.

During the 1979-80 school year I checked all the students for pediculosis (lice) and scabies (body lice) at the beginning of the school year and periodic inspections were done as needed. The incidences of either of these infectious diseases were very low.

All the students were weighed and measured for height and these results were recorded on their records.

The children were all screened for vision and hearing. One hundred and ninety-two students were given vision tests with nine students being referred for further evaluation by their doctor. Of the 184 students tested for hearing two were referred for further evaluation.

Any student participating in sports is required to have a physical exam by his family doctor and 45 students did this.

Of the 24 first grade students we were 100% complete on immunizations and they all have their physical exams and TB tests done, prior to entering school.

I was asked by some teachers to offer guidance and instruction in the area of personal hygiene to the students. Some of the classes were shown filmstrips on personal hygiene, dental health and emotions. The fifth and sixth grade students were shown a filmstrip on growing up. This was done separately with the girls and then the boys. It seemed to go well.

This year was also the year of the measles outbreak. We held a clinic here at the school with help from the state health nurse and 36 students were given free measles vaccine.

I have thoroughly enjoyed my year at Cornish School. The students are polite and interesting. The school personnel is very easy to work with.

Respectfully submitted,
LINDA PATCH
School Nurse

CORNISH HONOR SOCIETY

In the spring of 1980 our first \$250.00 scholarship was awarded to Kenny Jacquier, who is now attending Gordon College. Kenny, as well as Mark Howard, had attended Boys' State. Mark and Kenny were both members of the National Honor Society. Mark was a three-sport performer with football, basketball and track his senior year at Stevens. Kenny was presented with the coveted "Lord Award" at graduation. Other award winners from our first honor students were Leslie Ardinger, one of 11 to get highest four-year grades; Heidi Rook and Pam Abbott.

April 11 and 12 found the honor society members with four drivers-chaperones in Boston. They saw the aquarium and attended a special show at the planetarium in the afternoon, plus a tour of Faneuil Hall, then to the Quincy open market where everyone had dinner. Went by subway to the evening theater ballet production of "Sleeping Beauty" — a wonderful performance. The second day was spent entirely at the science museum.

For the second year the trustees contributed to the promotion of Stevens' choice of one boy to attend Boys' State.

Stuart Wilkie spent six weeks in the summer attending St. Paul's School in Concord.

E. Leonard Barker spoke to the honor society on Cornish conservation.

In May an evening get-together was held at the Ardinger home with a slide show of several countries, cocoa and cookies.

In the fall the three students holding over from the seventh grade plus all the new candidates were taken to "Fiddler On The Roof" — a live production in Newport Opera House. Also on Dec. 14 all were invited to

NEW ADDITION to the Cornish Elementary School Playground.
— Photo by Robert Bugbee

attend "Christmas Revels" at Hopkins Center, where they saw Stuart Wilkie taking a more important role than he did the previous year.

Holding over to the fall term were Abby Friedman, Mandy Bennett and Philip Ayer. The new honor society students chosen, which was a most difficult task, are: Heidi Eberhardt, Christina Napoli, Karl Muhlbauer, Wilbur Dezan, Christine Decatur, Robin Quick and Eliza Laffin.

PTA REPORT

Last May, the students and teachers combined their talents and held a Craft Fair at the school. The proceeds were used to purchase materials for a wooden play structure on the playground. The P.T.A. organized the planning and building of it, but it was really a **community** effort. A large Thank You is extended to the parents, teachers and students for a job well done.

The music lessons, begun last year with Tony Parisi instructing, are continuing with 25 to 30 students participating. These lessons are given at school at parental expense.

The ski program has 77 students this year and continues to be a popular activity for both students and participating parents. The lessons are at Mt. Ascutney and are paid for by the parents.

The physical education program has been well received by the students. The P.T.A. purchased six gym mats in the fall for this program.

In addition to the previous mentioned projects, we sponsor the Town Calendar, school pictures and rummage sales. The profits from these activities help finance cultural arts, field day and achievement awards, graduation, school library, kindergarten and other school projects.

We are again collecting Campbell Soup labels. The labels are returned to Campbell Co. for FREE school equipment. There is a box in the school cafeteria for collection of the labels.

The P.T.A. is a community oriented organization and not just for parents of students — anyone with an interest in the education of our youth is welcome and encouraged to become a member.

It has been an honor and a pleasure to serve as president of the P.T.A. these last two years, and I thank the executive board, school board and teachers for their encouragement and cooperation.

LOIS I. AMISON
President

CORNISH KINDERGARTEN, INC.

To the Cornish School Board and Citizens of Cornish:

The Cornish Kindergarten, Inc. is in its fourth year of offering an educational experience to Cornish children ready for first grade the following year. We thank the school district for providing classroom space at the Cornish Elementary School, where the kindergarten children become familiar with the staff and building before entering the first grade.

The school is a cooperative, run by the parents who elect a five-member board of directors annually. Also on the board are a representative from the Cornish School Board and a member of the Cornish school staff. All parents are directly involved in the school's operation: assisting in the classroom, maintaining the classroom and its equipment, and raising money to fulfill the budget's requirements. Last summer's corn-on-the-cob booth at the Cornish Fair and winning float entry in the parade helped supplement the tuition paid to meet this year's costs.

The school meets five mornings a week from 8:45 to 11:15. Herrika Poor of Cornish, teacher for the third year, brings experience and special interests in nature and art to this year's class of 11 students. Mrs. Poor received her B.S. in early childhood education from Wheelock College, and includes in the classroom curriculum language arts, math, science, social studies and art.

An open house in the spring will welcome all children interested in attending the Cornish Kindergarten next September.

Respectfully submitted,
GIN BAILEY, President
HERRIKA W. POOR, Teacher

Board of Directors

VIRGINIA BAILEY, President
JEAN DUVAL, Vice-president
BOBBIE THRALL, Secretary
CYNTHIA ESTY, Treasurer
ROSEANN BUSHLOW, Member at Large
CYNTHIA ESTY, Past President
JILL EDSON, Cornish School Board
ALICE HENDRICK, Cornish Elementary School

AUDITOR'S CERTIFICATE

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Cornish of which the above is a true summary for the fiscal year ending June 30, 1980, and find them correct in all respects.
November 6, 1980

DONALD POWERS
Auditor
